Task 3: Type the following paragraph in MS word (6 Marks)

INTERNETWORK

A Network of networks is called an internetwork, or simply the internet. It is the largest network in existence on this planet. The internet hugely connects all WANs and it can have connection to LANs and Home networks. Internet uses **TCP/IP** protocol suite and uses IP as its addressing protocol. Present day, Internet is widely implemented using IPv4. Because of shortage of address spaces, it is gradually migrating from **IPv4 to IPv6**.

Task 4: Name the document as “internet “and save it in pdf format in a folder named “support”

- Task 5: configure the printer ready for printing (7 Marks)
- Task 6: print the pdf document saved (6 Marks)
- (5 Marks)
