GRAPHIC DESIGN LEVEL 6

VA/OS/GD/CR/04/6

Create Typography

July/August 2025

**TVET CURRICULUM DEVELOPMENT, ASSESSMENT AND CERTIFICATION
COUNCIL (TVET CDACC)**

PRACTICAL ASSESSMENT

TIME: 3 HOURS

INSTRUCTIONS TO CANDIDATE

1. You are required to perform the following tasks:
 - a) Manually sketch a typographical poster.
 - b) Design a digital mood board.
 - c) Design a coloured digital typographical poster.
 - d) Design a black and white digital typographical poster.
 - e) Submit the FOUR artworks above.

Design Brief:

Design a typographical poster using typographic elements only.

The theme of the poster is to caution the public on the dangers of smoking.

Demonstrate the following:

- a) Use of different fonts, sizes and styles
- b) Proper alignment and spacing
- c) Use of graphics and colours
- d) Proper hierarchy: title, subtitle, body, headers, footers

Task 1: Sketching A Typographical Poster

Manually sketch the typographical poster on the A3 drawing paper provided.

Task 2: Creating A Digital Mood Board

Create a digital mood board, for the poster, based on the same theme using a professional design software of your choice on an A4 digital space.

Task 3: Creating A Typographical Colored Poster

Create a coloured digital typographical poster, based on the same theme on an A4 size digital space using a professional design software of your choice.

Task 4: Creating A Typographical Black and White Poster

Create a black and white typographical poster on an A4 digital space using a professional design software your choice.

Task 5: Submission of Art Works

Submit your work as follows:

- a) A well labelled hand-drawn sketch of the poster
 - b) A well labelled digital mood board in PDF or PNG file formats
 - c) A well labelled digital coloured poster in PDF or PNG format, in a folder
 - d) A well labelled digital black and white poster in PDF or PNG file formats
 - e) A well labelled digital folder with all the digital files
2. You will be required to have the following resources to carry out the tasks:
- A functional computer with a typographical design software
 - Internet connectivity
 - A3 size drawing papers
 - A4 size glossy printing papers
 - Pencils, Coloured pencils
 - Ink Pens/Ball pens
 - Geometric drawing tools
 - Eraser
 - Sharpener/cutter
 - Drawing board/table
 - Masking tape
